

## LEICESTER COMEDY FESTIVAL 2022 - VENUE ACCESS GUIDE

We have produced this guide to assist people with disabilities who want to visit events and venues during the festival. The guide has been produced following feedback we have received from recent festivals. All the information has been provided by the venues themselves so feel free to check with them direct if you have any questions or concerns.

You may also want to search for venues via <http://www.disabledgo.com/> Several of our venues are listed on the site and more detailed information is available.

If you have any feedback on this guide, please do let us know by emailing [info@comedy-festival.co.uk](mailto:info@comedy-festival.co.uk) We welcome comments which will help us improve the guide in the future. Please also let us know if you spot errors in this guide so we can ensure it as up to date as possible. Enjoy the festival!
